## Commissary Décor Enhancement Worldwide

*Defense Commissary Agency*

### ***Project Description***

The Defense Commissary Agency (DeCA) is responsible for design, construction, operations, and maintenance of the grocery stores and military exchange outlets that serve military members and their families throughout the world. Ahtna was awarded a contract to complete maintenance, repair, new construction, alteration, and renovation of commissaries/exchanges and associated facilities in the continental United States, including Alaska and Hawaii, and possessions including Puerto Rico and Guam, as well as any other locations where permitted by Host Nation agreements. The contract scope utilizes different project delivery approaches such as design/build and traditional design/bid/build construction of new commissary facilities, addition/alteration to existing commissaries, décor installation, hazardous materials remediation, and civil projects on DeCA commissary facilities, exchanges, retail centers, warehouses, Central Distribution Centers, administrative offices, and other morale, welfare, recreation, and retail support activities.

**Schofield Barracks Commissary, Oahu, HI.** Ahtna's scope of work included demolition, partial wall installation, soffit and ceiling repair, painting, and installation of interior department and exterior building signage.

**Schofield Barracks Commissary, Oahu, HI.** Ahtna installed an internally illuminated commissary sign on the outside of the commissary.
